Solubility: Water Soluble

Who is Currently Using Lactobacillus/ Dipteryx Odorata Seed Ferment?

- HAUT
- BLISS
- NOURISH

HAUT: Argan Skin Elixir

Product Description:

Argan Elixir: Apply a few drops to eye area to loosen and remove makeup. Use as a cleansing oil to remove makeup without water. Apply a few drops to face before showering to hydrate skin. Massage into skin all over after a shower to hold in moisture.

Argan Oil is not only a "super food" for the skin and hair but for the whole body. Having twice as much Vitamin E as olive oil including vital antioxidants, Argan Oil plays a major role in a healthy diet and is commonly used in traditional Moroccan recipes.

Ingredients:

Argan (*Argania Spinosa*) Oil, **Tonka Bean (*Lactobacillus/Dipteryx Odorata* Seed Ferment Filtrate) Bioferment.**

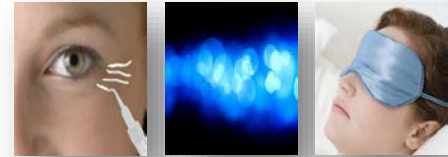

BLISS: Fabulous Everyday Face Lotion

Product Description:

Show your face some love. With the Fabulous Everyday Face Lotion from Bliss®, you can pamper your skin with luxurious moisture! Lightweight, non-greasy lotion with SPF 15 not only shields against UVB rays, but it's clinically proven to protect against age-inducing UVA rays. Keeps skin nourished and looking healthy with antioxidants, vitamins, minerals and omegas, plus phytonutrients from tonka beans that add luminosity to your complexion.

Ingredients:

Water, PPG-3 Benzyl Ether Myristate, Butylene Glycol, Cyclopentasiloxane, Cetyl Alcohol, Dimethicone, Glyceryl Stearate, Diethylhexyl 2,6-Naphthalate, **Lactobacillus/Dipteryx Odorata Seed Ferment Filtrate**, Dimethicone Crosspolymer, PEG-75 Stearate, Carbomer, Glycerin, Chlorphenesin, Ceteth-20, Steareth-20, 1,2-Hexanediol, Caprylyl Glycol, Sodium Hydroxide, Potassium Sorbate, Sodium Benzoate, Ascorbic Acid Polypeptide, Sodium PCA, Urea, Helianthus Annuus (Sunflower) Seed Oil, Disodium EDTA, Pantothenic Acid/Yeast Polypeptide, Xanthan Gum, Fragrance, Zea Mays (Corn) Oil, Polyquaternium-51, Trehalose, Tocopherol/Wheat Polypeptides, Saccharomyces/Copper Ferment, Saccharomyces/Iron Ferment, Saccharomyces/Magnesium Ferment, Saccharomyces/Silicon Ferment, Saccharomyces/Zinc Ferment, Leuconostoc/Radish Root Ferment Filtrate, Sesamum Indicum (Sesame) Seed Oil, Phenoxyethanol, Macadamia Integrifolia Seed Oil, Lecithin, Litchi Chinensis Pericarp Extract, Olea Europaea (Olive) Fruit Oil, Methylisothiazolinone, Daucus Carota Sativa (Carrot) Root, Retinyl Palmitate, Sodium Hyaluronate, Triacetin, Tropone, Benzoic Acid, Lepidium Sativum Sprout Extract, Mica, Titanium Dioxide.

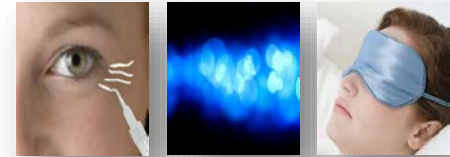

NOURISH: Golden Glow Illuminating Face Shimmer

Product Description:

Containing golden mineral powders to lift and define your complexion, and Active Tonka Bean Extract that emits light to give the skin a vibrant, natural, healthy glow, as well as reducing the appearance of uneven skin tone and age spots. Aloe Vera stimulates collagen production resulting in firmer, smoother skin as well as repairing damaged cells. Tripeptides and hyaluronic acid help to reduce wrinkles and fight signs of skin damage from environment and aging.

Ingredients:

Lactobacillus/diptyeryx odorata seed ferment filtrate, Leuconostoc/radish root ferment filtrate, Vitellaria paradoxa*, Palmitoyl tripeptide-5, Cetearyl olivate, Sorbitan olivate, Algin, Sodium levulinate, Levulinic acid, Xanthan gum, Sodium hyaluronate, Kaolin, Aloe barbadensis leaf juice powder*, Potassium sorbate, Boswellia neglecta oil*, Commiphora myrrha oil, Citrus aurantium flower oil*, Citral, Farnesol, Geraniol, Limonene, Linalool, CI77891, CI77491
