# Who's using *Lactobacillus/Arundinaria Gigantea* Leaf Ferment Filtrate?

---

- **Jafra**
- **Elizabeth Arden**
- **Lily of the Desert**

# Jafra: Relaxing Body Whip

## Product Description:

- Contains a blend of Lavender, Eucalyptus, Patchouli, Aloe and Sage to help create a feeling of relaxation. A blend of botanical extracts of Chamomile, Passion Flower and Aloe Vera help calm and soothe. Bamboo extract helps provide soothing and calming benefits.

## Ingredients:

- Chamomilla Recutica extract, Passiflorea Incarnata extract, Aloe Barbadensis Leaf extract, Lactobacillus/Arundinaria gigantean ferment extract

# Elizabeth Arden Prevage: Anti-Aging Serum

## Product Description:

- This treatment offers an efficacious dose of Idebenone Complex via a breakthrough, skin-compatible ester delivery system to reduce the appearance of sun damage, age spots, freckles, and discolorations. The supremely antioxidant blend maintains collagen levels for a firmer, more resilient look with minimized lines and wrinkles. It banishes dullness and roughness to give skin a brighter, younger look while reducing the appearance of minor scars.

## Ingredients:

- Water, Peg-8, Cyclopentasiloxane, Dimethicone/Vinyl Dimethicone Crosspolymer, Butylene Glycol, C12-15 Alkyl Benzoate, Glycerin, Hydroxydecyl Ubiquinoyl Dipalmitoyl Glycerate, Ammonium Acryloyldimethyltaurate/Vp Copolymer, Ergothioneine, Camellia Sinensis Leaf Extract, **Lactobacillus/Arundinaria Gigantea Leaf Ferment Filtrate**, Peucedanum Graveolens (Dill) Extract, Sodium Hyaluronate, Caprylyl Glycol, Peg-40 Hydrogenated Castor Oil, Propylene Glycol, Sodium Pca...

Tomorrow's vision... Today!®
