# Scandinavian Skincare: Stem Cell Corrector

## Product Description:

- The fascinating thing about stem cells is their natural regeneration ability, which make them the natural architects of reparation. Found in all multi-cellular organisms, they can self replicate and differentiate into diverse specialized cell types in order to propagate the growth of an existing cell.

## Ingredients:

- Aqua, vegetable glycerin, magnesium ascorbyl phosphate (CAS 113170-55-1), organic glycyrrhiza (licorice) root extract, apple stem cells (malus domestica fruit cell culture extract), lecithin, xanthan gum, alpha arbutin (CAS 84380-01-8), tetrahexyldecyl ascorbate (CAS 183476-82-6), tetrahydrocurcuminoids, niacinamide, tocopheryl acetate, ferulic acid (CAS 537-98-4), azelaic acid, fucus vesiculosus extract, macrocystis pyrifera extract, chondrus crispus (carrageenan) extract, palmaria palmata extract, **euterpe oleracea berry extract**, aronia arbutifolia/aronia melanocarpa berry extract, vaccinium myrtillus fruit extract...

# NeoStrata: Cellular Restoration
