# Clinique: Youth Surge Night Cream

## Product Description:

- A youth-extending moisturizer with repair-boosting ingredients that go to work while you're at rest. This nightly moisturizer uses Sirtuin, a patent-pending technology from Clinique that supports the nightly cycle of natural repair. This product's potent, youth-extending agents support natural collagen and calm the effects of environmental irritants—helping skin to reset the clock. Lines and wrinkles appear to evaporate. By morning, skin gains an energized eight-hour effect.
