# Burt's Bees: Peach & Willowbark Deep Pore Scrub

## Product Description:

Formulated Willow Bark Extract, this facial scrub deep cleans pores and gently exfoliates to remove dead skin cells as finely ground Peach Stone polishes for a smooth complexion. Our 100% natural scrub removes dirt and excess oil, leaving you with a refreshingly clean feel and naturally healthy-looking skin.

## Ingredients:

Water, Vitis Vinifera (Grape) Seed Oil, Stearic Acid, Glycerin, Prunus Persica (Peach) Seed Powder, Cocos Nucifera (Coconut) Oil, Sodium Borate, Fragrance, **Salix Nigra (Willow) Bark Extract**, Glucose, Anthemis Nobilis (Chamomile) Flower Extract, Hydrastis Canadensis (Golden Seal) Extract, Zingiber Officinale (Ginger) Root Extract, Fucus Vesiculosus (Bladderwrack) Extract, Xanthan Gum, Sucrose Stearate, Glucose Oxidase, Lactoperoxidase

# Paula's Choice: Resist

## Product Description:

Resist Weekly Retexturizing Foam is an innovative treatment that delivers smoother, younger-looking skin overnight. Specialized technology encapsulates anti-aging superstar salicylic acid for time-released delivery—so you get dramatic results without flaking or signs of irritation. The unique liquid-to-foam texture feels water-light yet is packed with soothing ingredients that reduce redness, calm inflammation, unclog pores, and reduce symptoms of rosacea. Plant-based antioxidants work with the exfoliating, pore-penetrating action of salicylic acid to stimulate collagen production for firmer, smoother, more radiant skin.

## Ingredients:

Water (Aqua), Butylene Glycol, Salicylic Acid, Cocamidopropyl Dimethylamine, Polysorbate 20, Camellia Sinensis (Green Tea) Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Sodium Ascorbyl Phosphate, Dipotassium Glycyrrhizate, Adenosine, Allantoin, Glycerin, Vitis Vinifera (Grape) Seed Extract, Salix Alba (Willow) Bark Extract, **Salix Nigra (Willow) Bark Extract**, Avena Sativa (Oat) Kernel Extract, Borage Officinalis (Borage) Extract, Ulmus Fulva (Slippery Elm) Bark Extract, Lamium Album (White Nettle) Flower Extract, Arctium Lappa (Burdock) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Boerhavia Diffusa Root Extract, Aloe Barbadensis Leaf Extract, Olea Europaea (Olive) Fruit Oil, Carthamus Tinctorius (Safflower) Seed Oil, Polysorbate 80, Disodium EDTA, PEG/PPG-17/6 Copolymer, Aminomethyl Propanol, Potassium Sorbate, Ethylhexylglycerin, Phenoxyethanol.

# Portland General Store: Willow

## Product Description:

Men are finally catching up. Women have long use facial toners to remove soap residue and refresh the skin. Now there's WILLOW, created by PGS for a man's face. Alcohol-free, but you'll definitely feel a tingle. WILLOW is made with black willow bark and apple cider vinegar—two skin-enhancing ingredients that are gentler than many toner products found in the market today. WILLOW toner closes the pores, adjusts the pH of the skin, and removes any remaining oil or dirt from the skin—all while leaving your skin with a light, woody scent.

## Ingredients:

Aloe Barbadensis (Organic Aloe) Leaf Juice, Acetic Acid (Apple Cider Vinegar), **Salix Nigra (Black Willowbark) Extract**, Phenoxyethanol, Polysorbate, Melaleuca Alternifolia (Tea Tree) Essential Oil, Boswellia Carterii (Frankincense Essentila) Oil, Tetrasodium Edta, Citric Acid
