Suggested Use Level: 1.0-5.0%

Suggested Application: Moisturizing, Aesthetic Modification, Pigment Dispersion, Conditioning, Improves Texture

Who's Using Cyclomethicone & Dimethicone?

Iridis Cosmetics

it Cosmetics

Paula's Choice

Iridis Cosmetics: Foundation Primer

Product Description:

Every artist needs to work on a perfect canvas and this is the first step in flawless foundation or powder application. This silky silicone-based primer, slips over clean, dry skin, giving you the perfect surface to create your base. It has soothing vitamins A & C and grapeseed extract and anti-oxidants to help soften the appearance of fine lines and wrinkles, and the specialised silicone-based formula will provide grip to increase the wear and longevity of your foundation. It even helps your skin to take in, and hold, water more efficiently, promoting younger and healthier looking skin. Suits all skin types, however, for very oily skin, we recommend our Mattifier.

Ingredients:

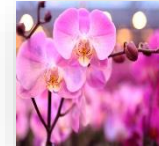

Cyclomethicone, Cyclopentasiloxane, **Dimethicone Crosspolymer**, Carthamus Tinctorius (Safflower) Seed Oil, Vitis Vinifera (Grape) Seed Oil, Tocopheryl Acetate, Retinyl Palmitate, Phenoxyethanol, Isopropylparaben, Isobutylparaben, Butylparaben

Missha: Near Skin
