ABS Imperata Cylindrica Extract PF

Technical Information:

Product Code: 10306PF

INCI Name: Water & Imperata Cylindrica Root Extract

INCI Status: Conforms

Suggested Use Levels: 1.0–10.0%

Suggested Applications: Moisturizing & Conditioning

Who's Using Imperata Cylindrica Root Extract?

Chantecaille

Croma

Amway

Chantecaille: Biodynamic Lifting Cream

Product Description:

Rejuvenates, heals, and protects dry, irritated skin. Boosts skin's moisture by 50% within six hours. Keeps skin plumped for more than 24 hours, creating a hydrating lift effect and smoothing out fine lines. Infuses biodynamic energy directly to the skin cells, regenerating their metabolism and triggering healthy cell growth. Strengthens the barrier level by rebuilding collagen and elastin. Relaxes and smoothes existing lines and helps prevent future ones from occurring. Raises the efficacy of SPF creams.

Product Description:

Rosa Damascena Flower Distillate, C12-20 Acid PEG-8 Ester, Caprylic/Capric Triglyceride, Glycerin, Coco-Caprylate/Caprates, Shea Butter, **Imperata Cylindrica Root Extract**, Shea Butter Extract, Camellia Sinensis Leaf Extract, Plankton Extract, Biosaccharide Gum-1, Caprylyl Glycol, Saccharide Isomerate, Jojoba Seed Oil, Rosa Canina Fruit Oil, Cetyl Alcohol, Phenoxyethanol, Triethanolamine, Potassium Cetyl Phosphate, Carbomer, Hydrolyzed Soy Protein, Borago Officinalis Seed Oil, Spent Grain Wax, Narcissus Poeticus Flower Wax, Jasmine Flower Wax, Bisabolol, Acacia Dealbata Leaf Wax, Argania Spinosa Kernel Oil, Propylene Glycol, Disodium EDTA, Methylparaben, PPG-25-Laureth-25, Carrageenan, Sodium Hyaluronate, Rosa Damascena Flower Oil, Pollen Extract, Glycoproteins, Magnolia Leaves Oil, Palm Oil, Tocotrienols, Acetyl Hexapeptide-3, Beta-Carotene, Phytosterols, Butylene Glycol, Butylparaben, PEG-8, Ethylparaben, Propylparaben, Isobutylparaben, Tocopherol, Citric Acid, Sorbitol, Ascorbyl Palmitate, Illite, Squalene, Potassium Sorbate, Chlorophenesin, Ascorbic Acid, BHT, Hydroxyethylcellulose

Croma: Princess[®] Skincare Hyaluronic Acid Mask

Product Description:

The Rejuvenating Face Mask with Hyaluronic Acid replenishes dehydrated skin, alleviates visible dryness and helps to restore elasticity and firmness. Besides its cooling effect, the Hyaluronic Acid Mask contributes to a natural healthy glow and preserves young looking skin. The main ingredients include HA with high water binding capacities, **Imperata Cylindrica** providing intense hydration, licorice root extract helping to calm irritations and Algae extract, which is rich in antioxidant vitamins.

Product Description:

Demineralized Water (Aqua), Sodium Hyaluronate, 1,5-Pentanediol, Algae Extract, Glycerin, **Imperata Cylindrica Root Extract**, Phenoxyethanol, Ethylhexylglycerin, Glyceryl Caprylate, Polyglutamic Acid, Hydroxyethylcellulose, Polyacrylate, PEG-40 Hydrogenated Castor Oil, Dipotassium Glycyrrhizate, Methylisothiazolinone, Chlorphenesin
