Eminence

Lumavera

Eminence: Citrus & Kale Potent C+e Serum

Product Description:

This organic potent dose of non-irritating Vitamin C is stabilized by botanically derived ferulic acid to deliver optimal antioxidant benefits and increase collagen production within the skin. Vitamin E and leafy greens such as kale and spinach provide additional protection to the Vitamin C blend while healing and repairing the skin for improved skin tone and elasticity. The lipid base of the formulation means that these ingredients, as well as the collagen boosting, hydrolyzed hyaluronic acid are easily absorbed into the skin. Prevent free radical damage and reduce inflammation with this skin-perfecting super serum that is gentle enough for all skin types. Fast absorbing, advanced anti-aging serum for all skin types with 16% naturally fortified Vitamin C.

Ingredients:

Vitamin C (L-Ascorbic Acid, Sodium , Ascor Byl Phosphate), Vitamin E, Botanical Ferulic Acid, Leafy Greens (**Kale**, Spinach, Broccoli Sprouts), **Lemon**, Grapefruit, Avocado, Botanical Hydrolyzed Hyaluronic Acid
