Peter Thomas Roth VIZ-1000 75% Hyaluronic Acid Complex

Product Description:

Viz-1000 is a super concentrated 75% Hyaluronic Acid complex that keeps the skin hydrated all day and night with an invisible veil of moisture. Hydration is achieved by attracting 1000 times its weight in water from the moisture in the air. It also replenishes the moisture content of environmentally damaged skin and restores a youthful radiance. This serum helps increase the skin's ability to retain moisture and smoothes out fine lines and rough texture.

Ingredients:

Water (aqua), saccharide isomerate, **lactobacillus/ eriodictyon californicum ferment extract**, sodium hyaluronate, hydrolyzed silk, saccharomyces zinc ferment, saccharomyces copper ferment, saccharomyces manganese ferment, saccharomyces iron ferment, saccharomyces silicon ferment, saccharomyces potassium ferment, lactobacillus/olea europea (olive) leaf ferment extract, honey extract, algae extract, opuntia tuna flower/stem extract, pentylene glycol, glycerin, sodium pca, urea, trehalose, polyquaternium-51, butylene glycol, propylene glycol, methylparaben, propylparaben, diazolidinyl urea
