---

Product Name: AC DermaPeptide Toning PF

Code: 20455PF

INCI Name: Water & Yeast Extract

AC DermaPeptide Toning PF is manufactured by fermenting yeast in a defined media under controlled conditions. The fermented product is then extracted in water and filtered.

*Saccharomyces cerevisiae* is a yeast of natural origin used by bakers and brewers globally. Section 184.1983 of the Federal Food & Drug Administration (FDA) declares that any *Saccharomyces cerevisiae* extract is Generally Recognized as Safe (GRAS).<sup>1</sup>

AC DermaPeptide Toning PF was tested using *in vitro* dermal and ocular irritation models. This product was found to be non-irritating in both models. The full report is attached for reference.

The above information supports the safety of AC DermaPeptide Toning PF in cosmetic applications at use levels of 2.0 – 5.0%. No further testing is required at this time.
