June Jacobs: Elastin Collagen Toner

Product Description:

Unique, paraben and preservative free, powerful age-defying toner enhanced with resiliency-promoting, collagen-stimulating vitamin C to firm and contour the skin. This advanced combination of hydrolyzed elastin, soluble collagen and hyaluronic acid synergistically provides superior moisture-retention to visibly plump the skin. Powerful patent pending antioxidant blend of white, red and green tea extracts combined with goji berry, pomegranate and grape seed extracts help to neutralize free radicals, protect skin from environmental toxins and combat the visible signs of premature aging. Leaves the skin naturally balanced and restored.

Ingredients:

Water/aqua/eau, glycerin, pentylene glycol, sodium ascorbyl phosphate, soluble collagen, **hydrolyzed elastin**, lycium barbarum (goji berry) fruit extract, punica granatum (pomegranate) extract, vitis vinifera (grape) seed extract, camellia sinensis (green and white tea) leaf extract, aspalathus linearis (red tea) leaf extract, leuconostoc/radish root ferment filtrate, sodium hyaluronate, sodium pca, sodium phytate, ppg-5-ceteth-20, fragrance (parfum), limonene
