Tomorrow's Vision... *Today!*<sup>®</sup>

# SilDerm<sup>®</sup> SQ

## Technical Information:

**Code:** 30311

**INCI Nomenclature:** Polymethylsilsesquioxane

**INCI Status:** Approved

**Suggested Use Level:** 1.0 - 5.0%

**Suggested Application:** Improved Texture, Dispersion Aid, Light Diffusion

# Who's Using Polymethylsilsesquioxane?

---

Cover Girl

Clinique

Maybelline®

# Cover Girl: TruMagic Mini Skin Perfector

## Product Description:

It's Skin Magic. Cover Girl's innovative clear formula gives your skin instant matte perfection. Use under, over, or instead of makeup. Oil free, non-greasy, works with all skin types. Blendable, lightweight.

## Ingredients:

**Polymethylsilsesquioxane**, Myristyl Trisiloxane, Cetearyl Ethylhexanoate, Synthetic Fluorophlogopite, Caprylyl Methicone, Synthetic Wax, Dimethicone/Vinyl Dimethicone Crosspolymer, Microcrystalline Wax/Cire Microcristalline, Dimethicone, Methylparaben, Propylparaben, Pentaerythrityl Tetra-Di-T-Butyl Hydroxyhydrocinnamate, Laureth-4

# Clinique: Repairwear Laser Focus Wrinkle Correcting Eye Cream

## Product Description:

The beauty of a second chance. Now for eyes, a three-dimensional improvement that visibly smoothes lines and plumps and refines the entire eye area with noticeable results in four weeks. Keep smiling, you'll see a 54% younger look in 12 weeks. Another chance to forgive.

## Ingredients:
