Tomorrow's Vision... *Today!*[®]

SilDerm[®] Emulsifying BG

Technical Information:

Code: 30314

INCI Nomenclature: Butylene Glycol & Polymethylsilsesquioxane

INCI Status: Approved

Suggested Use Level: 0.5 - 15.0%

Suggested Application: Low Emulsifier Systems & Pigment Spacer

Who's Using Butylene Glycol & Polymethylsilsesquioxane?

Clinique

Olay[®]

Dior

Clinique: Repairwear Laser Focus Wrinkle Correcting Eye Cream

Product Description:

The beauty of a second chance. Now for eyes, a three-dimensional improvement that visibly smoothes lines and plumps and refines the entire eye area with noticeable results in four weeks. Keep smiling, you'll see a 54% younger look in 12 weeks. Another chance to forgive.

Ingredients:

Water, Squalane, **Butylene Glycol**, Ethylhexyl Palmate, Glycerin, Caprylic/Caprylic/Myristic/Stearic Triglyceride, Dimethicone, Methyl Gluceth-20, PEG-100 Stearate, Cetyl Alcohol, Glyceryl Stearate, PEG-8, **Polymethylsilsesquioxane**, Hydrogenated Lecithin, Hypnea Musciformis (Algae) Extract, Gellidiella Acerosa (Algae) Extract, Sigesbeckia Orientalis (St. John's Wort) Extract, Crithmum Maritimum Extract, Hordeum Vulgare (Barley) Extract, Chlorella Vulgaris Extract, Cucumis Sativus (Cucumber) Fruit Extract, Rosemary Leaf Extract, Padina Pavonia Thallus Extract, Laminaria Digitata Extract, Camellia Sinensis Leaf Extract, Saccharomycopsis Ferment Filtrate, Whey Protein, Hydrogenated Vegetable Oil, Micrococcus Lysate, Persea Gratissima (Avocado) Sterols, Ergothioneine, Biotin, Acetyl Glucosamine, Caffeine, Lecithin, Palmitoyl Oligopeptide, Glyceryl Polymethacrylate, Caprylic/ Capric caprylic Triglyceride, Polysilicone-11, Propylene Glycol Dicaprylate, Tocopheryl Acetate, Sucrose, Trehalose, Pentylene Glycol, Carbomer, Helianthus Annuus (Sunflower) Seedcake, Tromethamine, Phytosphingosine, Tetrahexyldecyl Ascorbate, Cholesterol, Zinc PCA, Hexylene Glycol, Hydroxyethylcellulose, Sodium Hyaluronate, Potassium Sulfate, Citric Acid, Caprylyl Glycol, Sodium Citrate, Disodium Distyrylbiphenyl Disulfonate, Disodium EDTA, Phenoxyethanol, Titanium Dioxide
