Hair Understanding

Arrojo: Hair Crème

Product Description:

Supremely gentle and light to smooth and polish your look. Versatile too, hair crème creates smoothness when you blow-dry in, or simply run through damp hair for a soft and sexy slept-in look.

Ingredients:

Water/Aqua/Eau, Cetearyl Alcohol, Propylene Glycol, Steareth-2, Behentrimonium Methosulfate, C12-15 Alkyl Benzoate, Dimethicone, Butyrospermum Parkii (Shea) Butter, Disodium Edta, **Hydroxypropyltrimonium Hydrolyzed Oryza Sativa (Rice) Protein/Siloxysilicate, Oryza Sativa (Rice) Extract**, Hydrolyzed Oat Protein, Macadamia Ternifolia Seed Oil, Tocopheryl Acetate, Phospholipids, Panthenol, Zinc Gluconate, Magnesium Ascorbyl Phosphate, Calcium Pantothenate, Magnesium Salicylate, Phenoxyethanol, Citric Acid, Tetrasodium Edta, Methylparaben, Alpha-Isomethyl Ionone, Citronellol, Coumarin, Geraniol, Limonene, Linalool, Fragrance/Parfum

Hask: Argan Oil Intense Deep Conditioning Hair Treatment

Product Description:

This is a super strengthening, hydrating treatment that will restore and smooth dry, damaged, chemically treated or over-processed hair. Argan oil is known for its high absorbing, penetrating and split end repairing qualities while leaving even the most damaged hair soft and nourished for added moisture. Treat your hair with this nourishing deep conditioning treatment, formulated to bring life back into your luscious looking locks.

Strengthens, restores and smooth dry, damaged hair.

Ingredients:

Water, Cetearyl Alcohol, Cetrimonium Chloride, Lanolin, Quaternium-18, Argania Spinosa Kernel Oil (Argan), **Hydroxypropyltrimonium Hydrolyzed Oryza Sativa Protein**, Siloxysilicate, **Oryza Sativa Extract (Rice)**, Hydrolyzed Collagen, Hydrolyzed Keratin (Keratin Protein), Silk Amino Acids, Glycine Soja (Soybean) Protein, Panthenol, Glycerin, Isopropyl Palmitate, Sodium Lauroyl Oat Amino Acids, Juglans Nigra Leaf Extract (Black Walnut), Sodium PCA, Tetrasodium Edta, Citric Acid, Caramel, Yellow 5, Fragrance
