 Born

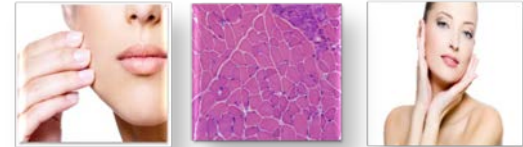

True Friends of Natural and Organic Cosmetics Black Forest Eye Cream

Product Description:

This NATRUE-certified BLACK FOREST pure Eye Cream from crocus extract, marine plankton and salicornia fights the visible signs of premature aging and stimulates the production of collagen and elastin in the dermis. Enriched with natural mineral water from Black Forest springs, rich in minerals and trace elements, and an innovative combination of active ingredients to ensure maximum, instantly visible anti-aging effects! A balanced combination of precious, pure oils cares intensively for the skin.

Ingredients:
