AC Collagen Prepeptide PF
Certificate of Compliance

Code: 20452PF
INCI Name: Tripeptide-29
INCI Status: Conforms
CAS #: 92113-31-0
EINECS #: 295-635-5

Below is a list of processing aids used, but not declared on the ingredient label:

AC Collagen Prepeptide PF  
Code: 20452PF

Attention must be paid to the use of AC Collagen Prepeptide PF in the equivalent of OTC formulations (eg. quasi-drugs in Japan, or therapeutic goods in Australia). Some countries maintain restricted inventories of raw materials that can be used in those applications so more detailed guidance may be required.

AC Collagen Prepeptide PF and its components and impurities are in compliance with the rules governing cosmetic products in the European Union (Directive 76/768/ECC & Regulation No. 1223/2009). The recommended use levels for AC Collagen Prepeptide PF is 0.10 – 1.00%.

AC Collagen Prepeptide PF is considered a non-hazardous material. All significant toxicological routes of absorption have been considered as well as the systemic effects and margin of safety (MoS) based on a no observed adverse effects level (NOAEL). Due to the restriction placed on animal testing of cosmetic raw materials, and Active Concepts, LLC’s internal non-animal testing policy, this product was not tested for NOAEL.

AC Collagen Prepeptide PF was tested using in vitro dermal and ocular irritation models. This product was found to be non-irritating in both models.

To our knowledge the above material is free of CMR (*) substances, as defined according to Regulation (EC) No 1272/2008 and Cosmetic Regulation (EC) No 1223/2009 as amended.

(*) Carcinogenic, Mutagenic, toxic for Reproduction

Active Concepts, LLC certifies that to the best of our knowledge our product does not contain any material listed on California Proposition 65.

Active Concepts, LLC certifies that AC Collagen Prepeptide PF does not contain any materials prohibited by Halal laws.

As of May 1, 2019, AC Collagen Prepeptide PF does not contain any substances present on the so called “candidate list” provided by the European Chemicals Agency (ECHA). We further certify that this material has not been manufactured using any of the species listed in the CITES Appendices as of May 1, 2019.

AC Collagen Prepeptide PF is REACH Compliant and free of the following:

- Formaldehyde or formaldehyde donors
- Gluten
- Glycol ethers
- Lactose
- Nanoparticles
- Nitrosamines
- Palm oil/palm kernel oil (or derivatives)
- Parabens
- Paraffin/petroleum products
- Pesticide residues
- Phthalates
- Polyethylene glycol (PEG)
- Residual solvents
- Sulfates
- Volatile organic compounds
