**EINECS #:** 272-046-1 & 289-998-9 & 295-631-3 & N/A  
**China NMPA #:** 166725-02809-5849

The following information on regulatory clearances is believed to be accurate and is given in good faith as a guide to a global use of our ingredients in cosmetic applications. No representation or warranty as to its competences or accuracy is made. Information is offered for use in general cosmetic applications and may vary in particular applications. Users are responsible for determining the suitability of these products for their own particular use. All regulatory decisions should be made on the advice of your regulatory group or legal counsel.

Country / Regulatory Body	Status of Product
EU (CosIng)	Compliant
USA (TSCA)	Compliant
Australia (AICS)	Compliant
Japan (METI)	Compliant
Canada (DSL)	Compliant
China (IECIC)	Compliant
Brazil (ANVISA)	Compliant
Korea (KECI)	Compliant
Philippines (PICCS)	Compliant
Mexico (COFEPRIS)	Compliant

## AC Vegan Keratin OS

Code: 20964

Attention must be paid to the use of AC Vegan Keratin OS in the equivalent of OTC formulations (eg. quasi-drugs in Japan, or therapeutic goods in Australia). Some countries maintain restricted inventories of raw materials that can be used in those applications so more detailed guidance may be required.

AC Vegan Keratin OS and its components and impurities are in compliance with the rules governing cosmetic products in the European Union (Directive 76/768/ECC & Regulation No. 1223/2009). The recommended use levels for AC Vegan Keratin OS is 1.00 – 10.00%.

AC Vegan Keratin OS is in compliance with the standardized set of rules developed and approved by the NPA (Natural Products Association).

The Nagoya Protocol provides a scheme for the fair and equitable sharing of benefits derived from Genetic Resources. Information regarding the Nagoya Protocol and Access and Benefit Sharing (ABS) is available at <https://www.cbd.int/abs/>. The agreement focusses on wild taxa and excludes most commercially cultivated crops. For the signatories to the agreement, responsibility for Benefit Sharing falls on the entity exporting or extracting the resource from the signatory country. Active Concepts audits its suppliers to conform compliance with the Nagoya Protocol where applicable.

AC Vegan Keratin OS is considered a non-hazardous material. All significant toxicological routes of absorption have been considered as well as the systemic effects and margin of safety (MoS) based on a no observed adverse effects level (NOAEL). Due to the restriction placed on animal testing of cosmetic raw materials, and Active Concepts, LLC's internal non-animal testing policy, this product was not tested for NOAEL.

AC Vegan Keratin OS was tested using *in vitro* dermal and ocular irritation models. This product was found to be non-irritating in both models.

To our knowledge the above material is free of CMR (\*) substances, as defined according to Regulation (EC) No 1272/2008 and Cosmetic Regulation (EC) No 1223/2009 as amended. Products supported for Personal Care applications will not be classified as CMR (\*), as defined by (EC) 1272/2008 on the Classification, Labelling and Packaging of Substances and Mixtures, unless supported by a positive SCCS opinion.

(\*) Carcinogenic, Mutagenic, toxic for Reproduction

As of January 6, 2025, AC Vegan Keratin OS does not contain any substances present on the so called "Candidate List" of Substances of Very High Concern (SVHC) provided by the European Chemicals Agency (ECHA). We further certify that this material has not been manufactured using any of the species listed in the CITES Appendices as of January 6, 2025.

Active Concepts, LLC certifies that AC Vegan Keratin OS is produced in compliance with the programs/regulations set by the following agencies in the State of California:

- Office of Environmental Health Hazard Assessment (OEHHA)
- California Air Resources Board (CARB)
- South Coast Air Quality Management District (SCAQMD)
- California Safe Cosmetics Act (SB 484)
- California Proposition 65

## AC Vegan Keratin OS

Code: 20964

AC Vegan Keratin OS is REACH Compliant and free of the following:

- 1,4 Dioxane
- Alcohol
- Aluminum
- Asbestos
- Benzophenone-3
- Butylated hydroxyanisole (BHA)
- Butylated hydroxytoluene (BHT)
- Butylphenyl methylpropional (Lilial)
- Color
- Ethanol
- Ethylene oxide (EO)
- Ethylhexyl Methoxycinnamate
- Formaldehyde or formaldehyde donors
- Glycol ethers
- Gluten
- Isopropyl alcohol
- Irradiation
- Lactose
- Mineral oil
- Nanoparticles
- Nitrosamines
- Palm oil/palm kernel oil (or derivatives)
- Parabens
- Octinoxate
- Octyl Methoxycinnamate
- Oxybenzone
- Paraffin/petroleum products
- Per- and polyfluoroalkyl substances (PFAS)
- Pesticide residues
- Phenoxyethanol
- Phthalates
- Polyethylene glycol (PEG)
- Residual solvents
- Sulfates
- Silicone
- Volatile organic compounds
